Vulnerability and Incident Notification Template

Art. 14

NovaBridge Technologies Inc.

NovaBridge SmartHub v3.1

Reference: CRACHK-Y8IV87
Date of issuance: 15/10/2026
Contact: Sarah Chen, VP of Compliance
compliance@novabridge.io

Regulation (EU) 2024/2847 of the European Parliament and of the Council of 23 October 2024 (Cyber Resilience Act)

This document does not constitute legal advice. Sole responsibility of the manufacturer.

>> GENERAL INFORMATION

This document provides the template for mandatory notifications pursuant to Art. 14 of Regulation (EU) 2024/2847. The manufacturer must notify actively exploited vulnerabilities and severe incidents simultaneously to the designated coordinating CSIRT and to ENISA through the single reporting platform (Art. 16). This obligation applies from 11 September 2026, including to products placed on the market before 11 December 2027 (Art. 69(3)).

MANUFACTURER

NovaBridge Technologies Inc.

AFFECTED PRODUCT

NovaBridge SmartHub v3.1 v3.1.0

DOSSIER REFERENCE

CRACHK-Y8IV87

This document does not constitute legal advice. Sole responsibility of the manufacturer.

A EARLY WARNING — 24 HOURS (Art. 14.2(a) / 14.4(a))
